ADDITIONAL RELAY INFORMATION:

- No qualifying standards exist for ANY Outdoor Relay (4x100m, 4x400m & 4x800m).
- Institutions may enter one (1) male and one (1) female team per relay.
- Each institution will have all available outdoor relays automatically entered regardless if they have a seedtime or not. At the technical meeting on the Friday evening of the championship, a 'relay declaration form' will be distributed to each head coach. Only the head coach may verify what relay event(s) their respective institution/team will be competing in. Once all 'relay event declaration forms' are submitted/collected, the seeding committee will reconvene and seed the relay events based on the declared institutions. The final seeding of the relay events will be made available online to coaches in a timely manner that same evening.
